Bako Ambianda Interview With Sebulon David

Sebulon David and Bako Ambianda

Austin, 13.09.2015, 23:12 Time

USPA NEWS - Bako Ambianda interview Sebulon David who is one of the 2015 selected Mandela Washington Fellows which is a flagship program of Young African Leaders Initiative. It is a signature effort of President Barack Obama to invest in the next generation of African leaders.

About Sebulon David

Sebulon David has over eight years´ experience in various fields in the computing sector and wireless technology. He is currently the founder and executive director of the Tate Institute of Technology, holds a degree in computer science and geology from the University of Namibia, and is a computer scientist working on innovative education and energy technologies. In order to assist early childhood development and adult education for the deaf and under-served communities in rural Namibia, he established Glowdom Educational Foundation which helps local students excel. He was a 2015 Mandela Washington Fellows and plans to establish Namibia´s first community college with a focus on creativity and innovation.

About Bako Ambianda

Bako Ambianda is an authority on the development of human potential and personal effectiveness. He is the Founder and President of Global Attain Advancement, an event production company that plans, promotes, and executes events in the area of business growth, wealth creation and personal development. He is the chairman of Bako Ambianda International, a firm that provides professional development services to individuals and corporations. He is AFTV5 Director of Special Events, an African Television Network. He is the author of three acclaimed books “˜´Destined To Win In the Game of Life," "Who Is In Your Ears" and "Ingredients To Uplift Your Journey."

In 2014 at the age of 23, Bako was the youngest self-help author from Cameroon after publishing his first book that gave a much needed blueprint of how people can tap into their potential. Bako is a visionary and his life itself is a true testament to the power of positive thinking. What began as a young man's desire to overcome his own physical and emotional obstacles has grown into a mission to help people reach their highest potential and obtain their greatest goals.

The world is a better place because Sebulon showed up. His type is very rare and he deserve to be congratulated for his support in growing Africa economy at large. To learn more about the work's Sebulon David is doing. Visit www.tateinstitute.org
